

11TH JULY 1967

Sri K. PRABHAKAR.—I feel that this is the proper time.

Mr. SPEAKER.—This is the most improper time. Wait for clarification after the Debate. I am not allowing any clarification now.

Sri K. PRABHAKAR.—It is mutually advantageous if it is done now. I would like to refer to some of the statements made by the Hon'ble Minister.

Mr. SPEAKER.—I will give the member chance later on. He may kindly wait and kindly resume his seat.

Sri K. PRABHAKAR.—I feel that this is the proper time.

Mr. SPEAKER.—I said that it is the most improper time. He must seek permission of his Whip if he wants to participate. If he is raising a Point of Order, he can do so. But, if he wants a clarification, this is not the proper time.

Sri K. PRABHAKAR.—I want one information from the Hon'ble Minister, Sir.

Mr. SPEAKER.—Is it going to be destroyed if it is taken up half-an-hour later?

Sri K. PRABHAKAR.—It will be helpful for discussion if the information is given now.

Mr. SPEAKER.—He may kindly wait; he is a good friend of mine.

ಅಧ್ಯಕ್ಷರು.—ಮಾಡೋಣ.

Sri H. M. CHANNABASAPPA.—Sir, I rise to a Point of Order. As pointed out by my friend, Sri Siddaveerappa, this amounts to a money Bill in effect, and according to the rules a money Bill can only be introduced by giving a Financial Memorandum. This Bill is not accompanied by a Financial Memorandum, and therefore, it contravenes the relevant rule, and any further discussion without that will not be in order.

## SPEAKER'S RULINGS

Mr. SPEAKER.—I will give the Ruling on the Point of Order raised. If the Hon'ble member is raising a different Point of Order, he may kindly do it at the proper time. I will give the Ruling with regard to the Point of Order raised by Sri H. Siddaveerappa.

Sri Siddaveerappa is of the opinion in the course of his argument and that is the only basis for his argument—that it will contravene the provisions of the Constitution if this Bill is allowed to be discussed and passed. It is a well-known axiom that so far as the ultra vires or intra vires of the nature of a Bill is concerned, the decision is to be by the
